Sir,

With reference to Government Proceedings No. 470-1 of the 10th November 1899 sanctioning an Estimate for Rs 5198/- for repairs to the Temple of Sri Seethala Mallikarjuna Swami at Hirekolale in the Chikamagalur Taluk, I have the honor to forward herewith for sanction a measurement list for Rs 635-13-2 for work done up to 8th May 1900 and to state that the work was inspected on the 13th instant by the District Muzrai Officer who was satisfied with the progress of the work in question.

2 The amounts sanctioned out of the State grant for Muzrai works were not hitherto placed at the disposal of the Deputy Commissioner in consequence of

of which the measurement lists had to be forwarded to the Inspl Secretary for sanction and transmission to the Comptroller for audit. The District Treasury having however recently received instructions from the Comptroller to disburse the amounts on application by the Deputy Commissioner, I request to be informed whether in future the amounts may be drawn from the District Treasury on measurement lists for works done without their being forwarded to the Inspl Secretary as heretofore, subject however to the due submission of the Completion reports when the works have been properly carried out to their entirety. I may add that this procedure is followed in the case of works carried out from District Funds and Local Funds General and that their adoption as regards Inspl works also seems highly desirable
